# Welcome

We work to put the things in place that all add up to living well.

Our team is dedicated to providing excellent support. We promote and encourage independence and choice through an enabling environment, and use our active support model to monitor outcomes.

We are committed to creating a caring community that promotes inclusion and wellbeing for people with disabilities. We combine enabling support with a vibrant home life, and maximise opportunities for residents to enjoy a full and independent life.

Yours sincerely

Person we support

## Livability York House

Livability York House in Ossett provides person-centred, responsive, residential care and respite for 23 adults who have complex needs.

We support people with conditions including motor neurone disease, cerebral palsy, multiple sclerosis, spina bifida, parkinsonian syndromes and lymphedema.

Our staff are experienced and have worked here for many years, giving you consistent care. Our team will get to know you and learn how to support you best. The people who use the service hold regular meetings and are very much in the driving seat about decisions that are made within the service.
