+ Independence

Livability Ashley Place

Livability Ashley Place in Bognor Regis is a residential care home located on the seafront, close to the town centre. Designed in consultation with residents, the service offers state of the art equipment and facilities and highly experienced, trained staff.

Your home

- Fully wheelchair accessible.
- A large communal living area for socialising.
- An accessible drinks making station.
- 16 bright and modern rooms, all with ensuite wet rooms, some with sea views.
- Two well-equipped respite rooms.
- Overhead hoists and profiling beds.
- Access controlled doors, including those to our lifts.
- Assisted bathroom and adapted kitchen.
- Easy access to the town centre along the seafront promenade.

As well as the residential home, we offer a range of disability and rehabilitation services. We work with people in the community and in their own homes.

**‘Staff at Livability Ashley Place
all make me feel so welcome
and part of the family.’
John, regular respite visitor.**

Sea views
+ Short breaks
+ Friendship

Wellbeing and respite stays

We also offer wellbeing and respite stays. Our location by the sea in Bognor Regis makes Livability Ashley Place an ideal location for a short break or longer. Some people have used the service whilst adaptations are made at their home.

We have 5 designated rooms on the second floor of our modern building. The first floor is a residential care service for disabled adults and on the ground floor we have communal spaces for socialising and dining.

What you can expect:

- our rooms are equipped with profiling beds, some have an overhead hoist and accessible bathroom facilities – some have sea views
- we provide meals and can accommodate your dietary requirements
- our housekeeping team will ensure that your room is kept clean during your stay
- linen is provided
- an experienced staff team provide the appropriate level of support based on your requirements during your stay at Livability Ashley Place
- we can accompany you on siteseeing trips during your stay (additional costs may apply).

Please contact our team on 01243 823 058.
Costs of your stay will be based on the level of support you require.

Care + Support + Wellbeing

Connecting you with your community

At Livability Ashley Place you will enjoy a lot of individual personal choice, with active support from staff. Join in with our on-site art classes or get out and about in the local area. We will help you to get involved in a wide range of stimulating activities and community connections.

Our expert team can support you to:

- join clubs, groups or find day opportunities
- meet up with friends and family
- manage your housework
- liaise with social services and other professionals
- organise and attend appointments
- manage diet, medication, personal care and health
- access respite care to give you, your carers and family members a break or holiday.

'It's absolutely brilliant! It couldn't be better in any way. I really feel I'm living my life as I've always aimed to.'
Claire, resident for 12 years

Friends + Connections + Cuppa tea

Our staff

Our dedicated and professional team are carefully chosen for their skills and compassion. They have extensive experience of enabling support and complex disability. Working with you, they create services to meet your personal needs and goals.

Our priorities

Person-centred, flexible support: We create care packages that will help people live the lives they want to lead.

Health and wellbeing outcomes: Health and wellbeing benefits from positive networks – so we aim to get people more connected with their community.

A strengths-based approach: We draw people, talents and resources together to create community responses to local care needs and opportunities.

Learning and growth: Everyone does better when they can learn new skills. We help people explore their vocation and personal development.

Working together: We work with individuals, families, carers and other local partners to create the care and support that people need.

Inclusion
+ Connections
+ Flexibility
